Military Appreciation Night!

UTAH JAZZ!

We're excited to announce that exclusive military tickets are now available for Military Appreciation Nights with the Utah Jazz — and these tickets come with the ultimate VIP experience!

Here's what's included:

-  **VIP Early Entry:** Meet at the Delta Center's main entrance (northeast entrance) 2 hours and 15 minutes before game time.
 -  **Courtside Access:** Look for the "VIP Early Entry" sign. Let the staff know you're with the Utah National Guard, and they'll escort you to the first few rows to watch the players' warm-ups and shooting routines before doors open to the public!
 -  **Unforgettable Experience:** Arrive on time to enjoy every moment of this special access!
If you'd like to purchase 10 or more tickets, please reach out directly to james.walljasper@teamseg.com for group assistance.
