June Highlights!

Gardening Clubs and Camp Prep!

Our JMG clubs in Spanish Fork, Iron County, West Jordan, Camp Williams, and Ogden are in full swing! Our UTNG Kids are learning how to take care of a garden and lots about plant parts, soil, and compost!

Some favorite activities were flower dissection (where kids learned parts of a flower through hands on dissection) and a candy replica of layers of soil!

As you can see in the pictures below, we are getting ready for our day camps! Our teen counselors came for training and to put together packs for UTNG kids signed up for our day camps!
