## Request and Planning Processes

Please review this entire packet before proceeding with the planning and request process. Ensure your group understands all requirements, guidelines, and expectations prior to your event.

1. **Complete the Agreement:** Fill out the attached agreement with as much detail as possible, including desired activities, participant numbers and ages, potential dates, etc. Be sure to include information and signatures for at least two individuals who can act as points of contact.
2. **Tour and Visuals:** If you'd like a better idea of what we offer, you can schedule a tour or request photos and/or videos of our facilities and activities.
3. **First-Come, First-Serve:** Requests are processed in the order received. To secure your preferred date, submit your signed agreement and a 50% deposit. Military units have booking priority, and your request may change based on military scheduling. Confirm availability with your MWR coordinator before submitting your agreement.
4. **Base Access:** Access to the base must be pre-coordinated. A roster of all attendees and waivers for each participant are required. Anyone aged 16 and over must have a valid U.S. ID to enter the base. Foreign nationals must be screened in advance; failure to do so will prevent base access on the event day.
5. **Confirmation Process:** Your request is not complete until both the signed agreement and deposit are received. Your reservation is not confirmed until you receive a confirmation email, which may arrive as late as 120 days before your event.
6. **Final Details:** As long as your rentals and/or activities are confirmed, 30 days prior to your event you will receive an agenda, map with meet-up instructions, and waivers for your group to sign and bring on the event day.
7. **Timing and Communication:** If you are booking months in advance, your request may be pending until closer to the event. We recommend maintaining regular communication with your MWR coordinator, promptly responding to all communication, and submitting all required documents on time.

## Payment Due Timelines and Billing Information

- **50% Payment:** A 50% deposit is required once the agenda is completed and entered into our system.
- **Paid in Full:** The remaining balance is due 30 days before the event. Groups will not be allowed on Camp Williams without submitting the final payment.
- **Changes:** Any changes made after 90 days will incur a \$100 change fee per item. If Range Control changes or cancels an activity, the group will be rescheduled or refunded.
- **Cancellation timelines:**
